### FROM THE ACTIVITIES OFFICE:

Greetings from the activity office. It is hard to believe another month has gone by. I hope all of you have enjoyed the past month as much as Larry and I have.

There are not enough words to express how much I have appreciated all the help from the volunteers. Without each and every one of you, all of the activities in the park we enjoy would not be possible. It sure makes my job a lot easier and more enjoyable. If you are a volunteer and we have not met yet please stop in and say hi. I am sure I can always find something for you to volunteer for.

We are looking forward to December and all the activities for the Holidays. Larry and I love to decorate and will be doing so very soon. We encourage all of you to decorate your homes also. Larry would like to see the entire park decorated his quote (so they can see the park from the satellite above.) In all the hustle and bustle of the season we just need to remember the true meaning of Christmas. Larry and I wish you all a very **HAPPY HOLIDAY AND A SAFE JOURNEY IN YOUR TRAVELS.**

We have new faces in the front office. Stephany Parsley has lived in Desert Shadows since December 2006 with her husband Tom. They have four children and five grand children. They have lived in Phoenix since 1956 and left in 1998 and went cruising for nine years on their 36 foot sailboat.

Also new to the front office is Kathy Mallon, she worked full time last year and is working part time this year. Her husband Jeff is working part time in maintenance. Kathy said they fell in love with the park and the people last year so they returned. Their home town is Beaver Dam, Wisconsin. They have three children who live in (Wisconsin, Connecticut, and Arizona), six grandchildren and one great grandchild in Tucson.

Our New Park Manager is Frank Webb. Frank has lived at Desert Shadows for fourteen years. He is married and has three children, twelve grandchildren and three great-grandchildren. Frank's home town is Chicago, Illinois.

### **A BIG JOB WELL DONE!!!!**

Have you noticed how well organized and orderly our library is? This is the work of Dina and Al Rice, volunteers that come in up to three or more times a day year around. Due to limited space only one copy of each book is retained, puzzles, videos and magazines are kept current the extras transported to the Veterans Home or Senior Center which is most appreciated. Dina and Al deserve recognition for this is a BIG JOB and time consuming, try filling in for them sometime and you will appreciate what they do. THANK YOU!

Substitute Librarians Chris and Connie Sellars (submitted article)

## Chocolate Chip Pumpkin Cake

It's surprising how perfectly chocolate and pumpkin combine in this two-toned firm cake. This flavorful mixture of ingredients really does take the cake!

Laurene Hunsicker, Canton, Pennsylvania

12 Servings Prep: 30 min. Bake: 65 min. + cooling

## Ingredients

- 3/4 cup butter, softened
- 1-1/2 cups sugar
- 1/2 cup packed brown sugar
- 2 eggs
- 1 teaspoon Pure Vanilla Extract
- 2-1/2 cups all-purpose flour
- 1 teaspoon baking powder
- 1 teaspoon baking soda
- 1 teaspoon ground cinnamon
- 1 can (15 ounces) solid-pack pumpkin
- 1 cup (6 ounces) semisweet chocolate chips
- 2 ounces unsweetened chocolate, melted and cooled
- 3/4 cup finely chopped pecans, *divided*

## Directions

- In a large bowl, cream butter and sugars until light and fluffy. Add eggs, one at a time, beating well after each addition. Beat in vanilla. Combine the flour, baking powder, baking soda and cinnamon; add to the creamed mixture alternately with pumpkin, beating well after each addition. Fold in chocolate chips.
- Divide batter in half. Stir melted chocolate into one portion. In a well-greased 10-in. fluted tube pan, sprinkle 1/2 cup pecans. Spoon chocolate batter over pecans; top with pumpkin batter. Sprinkle with remaining pecans.
- Bake at 325° for 65-70 minutes or until a toothpick inserted near the center comes out clean. Cool for 15 minutes before removing from pan to a wire rack. Yield: 12 servings.

## Grandpa's Christmas Story

Grandpa decided that shopping for Christmas presents had become too difficult. All his grandchildren had everything they needed, so he decided to send them each a check.

On each card he wrote:

'Happy Christmas Grandpa'

P.S. 'Buy your own present!'

### Conclusion:

Now, while Grandpa enjoyed the family festivities, he thought that his grandchildren were just slightly distant. It preyed on his mind into the New Year. Then one day he was sorting out his study and under a pile of magazines, he found a little pile of checks for his grandchildren. He had completely forgotten to put them in with the Christmas cards.

**DESERT SHADOWS AMERICAN  
CANCER  
SOCIETY FUND RAISER**

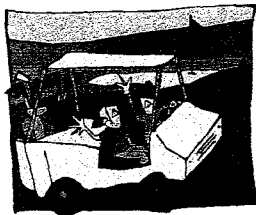

Welcome back friends and neighbors! As you know, last season you raised **\$14,363.00** for the American Cancer Society. Since that time, we have lost several more of our friends to cancer, so I decided that I will continue the fight.

As others have said "I will stand up to cancer"! Now I am asking if you will join me?

I am getting a late start here in the park, but during the summer I continued to sell the popular cancer bracelets and have already given the American Cancer Society \$1,150 to start this seasons fund raising.

This season I will continue to sell 50/50 tickets at dances and other functions, I am collecting items for another auction and I will raffle a 2001 EZ-Go golf cart. If you have any fund raising ideas, please let me know.

Watch the bulletin boards for news on our events and don't forget to buy your raffle tickets!

Once again, thank each and every one of you for your generosity. With my warmest regards.

**GREAT TRUTHS ABOUT GROWING  
OLD**

1. Time may be a great healer, but it is a lousy beautician
2. Wrinkles don't hurt.
3. Families are like fudge...mostly sweet, with a few nuts.
4. Laughing is good exercise,... like jogging on the inside.
5. Today's mighty oak is yesterday's nut that held its ground.
6. Growing old is mandatory; growing up is optional
7. Forget the health food. We need all the preservatives.
8. When you fall down, you wonder what else you can do while you're down there
9. You're getting old when you get the same sensation from a rocking chair that you once got from a roller coaster
10. It's frustrating when you know all the answers but nobody bothers to ask you the questions.
11. Wisdom comes with age, but sometimes age comes alone
