January 2011

FROM THE ACTIVITIES OFFICE:

WOW!! Can you believe the year of 2010 is over? When you now write 2011 it just makes you wonder how another year has come and gone. I hope the year was good to all of you. It sure has been a whirlwind for me, and a good year to remember.

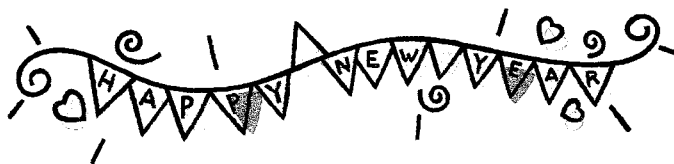

Larry and I went for a ride one evening looking at Christmas lights; on our drive we were discussing how we could have bought a house in one of the allotments. We only realized one advantage of a house; we would have had more room for stuff. Stuff we need to eliminate anyway. If we lived in the house we would have only met (maybe) our neighbors on each side of us. We are very happy here in Desert Shadows, we have SO many neighbors and new friends that we are so fortunate to have met. We would not trade all the room for any place else. You all have had a BIG part in our happiness and joy of now living in Arizona.

In December we had the pleasure of hearing Angels in Voice. This was a well attended (84 people) program. These young ladies Crystal and Candice Sipe have been through a lot of medical issues and keep right on smiling. They enjoyed singing their message of faith and thankfulness, it has gotten them through the hard times. They sent a thank you card for inviting them here to sing, said they had a wonderful time, and appreciated the generous love gift.

FROM THE FRONT OFFICE:

All of us at the front office would like to welcome everyone into our community. We hope you had a great month of holidays and fun in December, and we are looking forward to a busy and exciting January. Our Activities Office has a bunch of exciting events planned for this month so read carefully plan ahead! We have also made a new weekly activities chart for the normal events that we do every week so be sure to check that out!

We know that most of you prefer to read this newsletter in "paper" format, so we continue to print them each month for you. However, if you're ever not at Desert Shadows when they come out at the first of each month, you can always read them on our website. Just go to www.PhoenixRVresorts.com and click on the "News" tab at the top! Also, if you want, leave your email address at the Office and we can email you a copy. This way you can stay in touch even if your not here! We look forward to a busy January and all of our new visitors coming to enjoy our great weather! We hope everyone has a great NEW YEAR!

A single mother with three children, the adopted family this year, celebrated a joyful Christmas thanks to the efforts of Dorothy, Patti, and June and the generous donations from Desert Shadows residents.

Bible Study under the direction of Rev. Withee continues in the Back Auditorium at 2:00 each Wed. All residents are welcome

PIANO PLAYERS:

The young ladies that played the piano have called and thanked us for allowing them to play for us; they said they really enjoyed being here. They are Katie (14) and Julie (17) Sipes. Their grandmother Sally Piedziak lives in the park. Their parents Cindy and Tim Sipes brought the girls here to play for us. Cindy called and said they go around to different places to play because they enjoy playing for an audience. When here, the girls and their parents always ask to help out, serving or whatever is needed. They have been a real joy to have and are exceptional young ladies.

A New Year's Prayer

May God make your year a happy one!
Not by shielding you from all sorrows and pain,
But by strengthening you to bear it, as it comes;
Not by making your path easy,
But by making you sturdy to travel any path;
Not by taking hardships from you,
But by taking fear from your heart;
Not by granting you unbroken sunshine,
But by keeping your face bright, even in the
shadows;
Not by making your life always pleasant,
But by showing you when people and their causes
need you most,
and by making you anxious to be there to help.
God's love, peace, hope and joy to you for the year
ahead.

The line dancers performed several dances to Christmas music and had a special Rudolph red nosed reindeer and all. Mr. and Mrs. Santa were there along with an Elf helper. They were a big hit with the children that were here. We had two young ladies play the piano and their playing was excellent. The choir led us in singing Christmas Carols. Everyone enjoyed a very fun and pleasant evening. Thanks to everyone who helped make this happen.

CHRISTMAS DINNER:

On Christmas day we had 110 people attend our ham dinner. The very good spiral hams were provided by the park. The decorators did a wonderful job of decorating the auditorium for the party and the dinner. Jerri Henry made center pieces and decorated our dinner tables. We had quite a few first timers at the dinner and they said they really enjoyed being included, and everyone made them feel very welcome. The dinner and fellowship was enjoyed by all. We had beautiful weather to top off the day. Where else could you go and have an excellent Christmas dinner with such wonderful people in 70° plus, sunny weather? Larry and I are glad we had the opportunity to be here.
