March 2011

### FROM THE ACTIVITIES OFFICE:

The end of the season is coming fast, so buckle up your seat belts and hang on for a full fun month of March. Read your newsletter, mark your calendar, you don't want to miss a thing.

I sure hope March will find us all well and feeling much better from our sick February. I know everyone is setting their dates and getting ready to end the season and return to their home states. This was our first winter away from Ohio and we were very happy to be out of the cold weather. We are going to leave a little sooner than we planned, I need to go home and organize a 25<sup>th</sup> wedding anniversary party for my son and daughter in-law. Their two daughters, Ashley and Samantha will be here the end of April for a week and while they are here we will plan out the party.

I had been asked if we were going to have an OLDIES dance again, and YES that will be March 19<sup>th</sup>, with the band Come Back Buddy. Also that day we will have a SPECIAL lunch that coincides with our Oldies day. Lunch March 19<sup>th</sup> at 1:00PM, we will serve Hot dogs, macaroni and cheese and have Root Beer Floats. You can sign up and get a ticket for \$2.00 in the activity office for the lunch. Then that Saturday night come to the dance dressed in your 50's and 60's attire, and dance the night away to your old favorites.

### SHOW:

March 9<sup>th</sup>, Wednesday evening at 7:00, there will be a SHOW performed by Patrick McNally. He is a very good entertainer and people person that I am sure you will enjoy. Tickets for this show are \$5.00.

### VENDORS DAY:

Friday, March 11<sup>th</sup>, with all tables already reserved, this is the last vendor's day of the season, starting at 10:00am and ending at 1:00pm and lunch will start at 11:30am as usual. We will have some new vendors.

### FROM THE FRONT OFFICE:

You can reserve a specific site at Desert Shadows next year if:

- 1) You are staying for three months or more.
- 2) You turn on the APS electric bill in your name.
- 3) The only way you would be moved off your reserved site is if the site goes yearly, then you will be given your second choice. If you are interested in having a certain site reserved for you please see June in the office.

Meter Bills for monthly guests will be ready in the office when "ELECTRIC BILLS READY" signs are posted at mail building and office. This will be done approximately the 7<sup>th</sup> of the month. This will eliminate taping of electric bills to your unit.

*BC THE DESERT SHADOWS ROLLING  
REPORTER:*

It's pretty bad when you have to chase down the people you are interviewing to get a good story, but that's what this rolling reporter had to do to get the low-down on Gary and Kathleen (Kathy) Miles.

I found Kathy at the DS Vendor's Show, and found Gary helping a neighbor build a new floor in his park model--isn't that what DS people are all about--helping others? Gary claims that he met Kathy in a dark alley, but Kathy says they were high school sweethearts, and I think, in this case, I am inclined to believe Kathy. They call Weldona, CO home, although Gary claims he was an east Texas redneck before moving to Ft. Morgan, CO. Kathy was born and raised there. Kathy admits she loved the farm, loved to ride horses, pitch hay, and was somewhat saddened when her daddy sold out. She and Gary have three children, one lives in the Phoenix area, (one reason they retired at DS), one in Boston and one remains in Ft Morgan.

Kathy was a teacher's assistant, and taught reading to slow-learners (Title I Program), takes care of a huge flower garden on their 5 acres, and loves to drive her 67' Red Mustang Convertible. Gary, on the other hand, loves motorcycles, loves to fly a 500 pound ultra-lite plane, and spent his career working as a sub-station electrician. He has fought huge sub-station fires on 575,000-pound transformers. He shared that when a transformer overheats from an overload, it blows oil, causing a tremendous explosion. He shared that most substations have 3-4 transformers that supply tens of thousands of homes with electricity.

The Miles' retired a few years ago, pulled their 5<sup>th</sup>-wheel to AZ, looked over several RV/Resort areas, and picked DS. Kathy recalls that the first time they came to DS, a very friendly, little old lady (wonder which one?), asked Gary for help with the pop machine, - he helped her, she thanked him, and they agreed this was a friendly place to live. A year later they purchased #313, but kept their RV, as they still travel and fish in the Colorado Mountains during the summer. They both enjoy the computer class, dancing, bingo and all of the entertainment and shows put on by the Park. Welcome Gary and Kathy Miles!
